AFRAID TO MARRY

Owing to Bashfulness Runs Away Four Times

GIRL WILL TRY HIM AGAIN

The Most Bashful Man in Illinois Keeps 150 People Waiting at the Church While he Makes a Get-Away.

CHICAGO, June 22.—A despatch to the Tribune from Jerseyville, Ill., says:

Daniel Mathews, aged 4, the "most bashful man in Illinois" avoided the altar for the fourth time last night. The Rev. J. H. Jones and 150 guests waited for an hour and a half at the church for him to appear and become the husband of Miss Marie Frazier, but Mathews was elsewhere. Later Daniel said he wanted to be married more than anything else on earth, that he really intended to face the altar, but that something he does not know what prevented him from getting there.

Miss Frazier admitted she was willing to give the bashful man another chance. They will attempt to overcome his timidity today with a private ceremony.

The first time Mathews promised to go before the minister was two years

ago when he was to marry Mrs. Mary Miller at Rosedale, Jersey County. He failed her.

A week later he again led to the altar in Rosedale to marry the same lady. He ran away and took the first train out of Rosedale for Jerseyville.

The next time Daniel went to the port for the race of matrimony was on Sunday, June 7, when he was to have been married to Miss Frazier. He bolted before the barrier was sprung and staid away until his bashfulness died out.

Then he again took up his wooing, and all went well until, her anger appeased Miss Frazier consented to try again yesterday.

Will Cure Consumption

A. A. Herren, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." You never heard of any one using Foley's Honey and Tar and not being satisfied. T. F. Laurin, Owl Drug Store.

W. R. Ward, of Dyersburg, Tenn., writes: "This is to certify that I have used Orin Laxative Fruit Syrup for chronic constipation, and it has proven, without a doubt, to be a thorough, practical remedy for this trouble, and it is with pleasure I offer my conscientious reference." T. F. Laurin, Owl Drug Store.

There is nothing else "just as good" as Kemp's Balsam, the best cough cure, and the other kinds cost just as much as this famous remedy.

Regular Monthly Meeting Board of Fish Commissioners

HELD IN PORTLAND JUNE 9

Communication From Henry O'Malley, United States Superintendent For Oregon Ask That Clackamas be Turned Over to Commissioners.

PORTLAND, Or., June 22.—

The regular monthly meeting of the Board of Fish Commissioners for the State of Oregon was held in the executive office on Tuesday afternoon, June 9th. The receipts of the Master Fish Warden's office for the month showed the following:

| | |
|--------------------------|-------------|
| District No. "1" | |
| From Fines and Penalties | \$66.67. |
| From Licenses issued | \$1083.00. |
| | \$1,149.67. |
| District No. "2" | |
| From Licenses issued | \$252.50. |
| Total | \$1,402.17. |

DISBURSEMENTS.

The accounts against the Department which I have approved and present for payment amount to the sum of \$858.90; \$464.83 is against Hatchery Fund, District No. "1"; \$371.87 is against the Special Appropriation, Operating and Maintaining Coast Hatcheries, and \$22.20 is against the Special Appropriation for the expenses of the Master Fish Warden.

A letter to the Department from Henry O'Malley, United States Superintendent for Oregon, was read, in which he stated that it was the desire of the United States Commissioner, that the State of Oregon turn over to them Clackamas river for future operations after considering the matter and finding that the State would lose nothing inasmuch as the Government had promised to turn over to the State any eggs that they might require, and it being the desire of the State to co-operate with the United States Department, upon motion, the Master Fish Warden was instructed to comply with their request and notify Mr. O'Malley that he could have full control of the Clackamas River, and that the Cazadero Hatchery Station would be turned over to him on July 1st.

The question of feeding the young fry at the different hatcheries operated by the State during the coming season, was considered. The Warden reported that he had talked with all the cannery-men on the Columbia River, and that they had promised to pack the heads, melt and row of the salmon, in gallon cans, without any expense to the State, other than the cost of the cans; same to be distributed to each of the hatcheries, which could be used as fish food, at a much less expense than liver, which has been used in the past.

The Warden read reports from R. D. Hume and F. A. Feufert, showing that the natural fish food; i. e., the heads and offal of salmon, was far superior to liver and the other foods we have been using in the past. The Warden was instructed to buy from the American Can Company as many cans as were needed; for the above mentioned purpose.

The question of establishing the Bonneville Hatchery was left to the Warden, with instructions to look over the field, and if everything proved satisfactory, to begin operations at once.

The appointment of J. W. Berrian as Superintendent of the proposed Bonneville Station was approved, as was also the appointments of E. C. Greenman, A. J. Sprague, J. W. Talbert and Bliss Thorn.

The report of the expert who had been appointed to audit the books of the ex-Master Fish Warden H. G. Van Dusen, was read. It showed that Mr. Van Dusen's books had been found to be in perfect order, and upon motion the report was ordered filed.

The Warden reported that he found it almost impossible to visit the different hatcheries as often as he deemed it advisable, and at the hatcheries he had visited, found that the Master Fish Warden had not visited them for the past three or four years, due to the fact that the duties of the office required the greater part of his time, and suggested that he be allowed to appoint a man, as Inspector of Hatcheries, to visit these stations at least twice a year. After due consideration and upon motion, Mr. Chas. Babcock, of Oregon City, was appointed to fill this position at a salary of \$85.00 per month, same to be paid equally out

"I suffered three years with Weeping Eczema. It started with a little spot on my knees and spread fast over my whole body. I spent hundreds of dollars and went to every good doctor I heard of, but kept getting worse. Nothing would stop the awful itch and burning.

"I had to stay in bed from the middle of May to the middle of July. Then I tried D. D. D. Prescription. This is the 9th of December and I am entirely free from the terrible disease. D. D. D. saved my life.

"When I began this treatment, people were afraid of me I looked so terrible. My husband was the only one who would take care of me. D. D. D. stopped the itch at once so I could sleep, which I had not done before. Then I began to get better fast and now my skin is clear and white, not a spot anywhere."
